ROADWORKS ON CORNWALL AVENUE

Dear Resident,

We wish to inform you of the Cornwall Avenue redevelopment project, scheduled to begin on **June 29, 2026**, and expected to last approximately six weeks.

Nature of the work

The work includes the reconstruction of sidewalks, the reconfiguration of catch basins, the complete reconstruction of the roadway, as well as the creation of landscaped strips and a two-way bike path connected to the bike path on the Cornwall Bridge.

Traffic and access

Due to the scope of the work, Cornwall Avenue will be **closed to traffic**. **Regent Road will be one-way northbound** between Balfour and Vivian. **Access to businesses and residences will be maintained.**

Construction Progress

You can follow the progress of the work on the City's website: <https://www.ville.mont-royal.qc.ca/fr/actualites/divers/info-construction-tous-les-developpements-sur-les-travaux-en-cours>

Important Information

All areas affected by the work (grass, parking lots, pavement, sidewalks) **will be repaired after the work is completed.**

Some periods of inactivity may occur during the construction, particularly due to delays related to laboratory analyses.

Thank you for your understanding and cooperation.
